The Dayton VA Medical Center's Emergency Department (ED) will begin a construction expansion project starting on Monday, March 3, 2008. The projected completion date is January 2009. During this project, all ambulance squads will be rerouted through the posted signs on the VA grounds to Building 340. **It is very important that all squads continue to call 262-2172 prior to arrival.** A map is attached for directional information.

SERVICES: All "**Medical Services**" will be available.

There will be temporary parking designated for ambulance vehicles outside of Building 340, Prime Care. Signs will be posted to designate these areas.

When entering Building 340 follow the posted "Red and White" signs to the Emergency Department. The door to Building 340 will be open from 6:00 AM – 8:00 PM. After 8:00 PM, the vestibule door, in Building 340, will open and you will need to enter the "**4-Digit VA Emergency Department Code: 911***" to enter the building. Then follow the signs to the Emergency Department area and enter the same "**4-Digit VA Emergency Department Code: 911***" for entry into the **North-End of the waiting room.**
