## Dayton VA 150th Anniversary exhibit to open at Dayton Metro Library

DAYTON, Ohio -- The Dayton VA Medical Center will open a historical exhibit in a ceremony at 4 p.m. Jan. 19 at the Northwest Branch of the Dayton Metro Library.

The event is the opening of a year-long celebration of the Dayton VAMC's 150th anniversary of providing world-class care for Veterans in the local area.

The historical exhibit will include a large photo display of the history of the Dayton VAMC campus, along with historical items from the last 150 years, including a steam engine, a model of the historic chapel, postcards, serving dishes and antique medical equipment; all items the Veterans and visitor would have seen on campus over the last 150 years.

This exhibit was made possible through a partnership between the Dayton VAMC, City of Dayton, Dayton Metro Library, Dayton.com and DaytonGram.
