Dayton VAMC to host Public Hearing on Senior Housing Expansion Proposal

The Dayton VA Medical Center (VAMC) is hosting a public hearing on Friday, March 24th, at 3 PM in the Historic Protestant Chapel located on our campus. The purpose of this hearing will for St. Mary Development Corporation to present their proposal on expanding Lyons Place II, and offer an opportunity for the public to provide feedback on this proposal.

Lyons Place II is an independent living facility for low-income seniors. Veterans receive preferential placement. While the facility is located on the grounds of the Dayton VA Medical Center, it is operated independently by St. Mary Development Corporation through the VA's Enhanced Use Lease program.

Lyons Place II opened in June, 2015.

The hearing on March 24th to discuss the proposal to expand Lyons Place II is open to the public and to media.
