Dayton VA Medical Center to host WWII and Korean War Veterans at USO Dance

DAYTON, Ohio -- The Dayton VA Medical Center will host local WWII and Korean War Veterans at a USO Hangar Dance from 5 - 8 p.m. March 25 at Heatherwoode Golf Club in Springboro, OH.

(The dance is by invitation only; however, media is invited to cover the event. Interviews with Dayton VAMC leadership will be available.)

The event is part of the Dayton VAMC's year-long 150th anniversary celebration and is in partnership with the City of Springboro, Military Order of the Purple Heart, USO of Central and Southern Ohio, and Peoples Bank.

The dance will honor the more than 150 WWII and Korean War Veterans in attendance and will include a performance from the American Bombshells, a musical performing group styled after the Andrew Sisters that have performed on the Today Show, Fox and Friends, and CNN. Their mission is to serve and honor America's military, Veterans, first responders and their families by supporting and creating unique programs that raise morale, entertain, and inspire patriotism. The American Bombshell Performance will begin at 7 p.m.

Additional community partners that made this event possible include the Air Force Association, American Legion Auxiliary, Bill's Donuts, Cakes by Kati, DAV, Heatherwoode Golf Course, Middletown Masonic Temple, Raymond James from Midwestern Wealth Management, and Don "Merge" Wright from Entertainment Factory.
